INVITATION

**41st Int. Ibbenbürener Motorrad-Veteranen-Treffen,
40th Int. Constant speed run**

Dear friends of veterans

the planning for the traditional Ibbenbüren Motorcycle Veterans Meeting Whitsun 2023 is already in full swing. I would like to cordially invite you all to our 41st Int. Ibbenbüren Motorcycle Veterans Rally and the 40th Int. Constant Speed run for Historic Motorcycles. **The event will take place from 26th to 29th May 2023.**

You can look forward to a pleasant Whitsun festival in Ibbenbüren with the usual but also partly new team as well as familiar friends. You can also download the registration form from our website, fill it out on your computer and print it out. You are welcome to send it scanned and signed to nennung@veteranenrallye.de. For all questions concerning the meeting we have set up the e-mail address orga@veteranenrallye.de.

We have again integrated the **short announcement** into the attractive flyer, so that you can find all important information at a glance. However, the flyer cannot replace the complete version of the announcement and, above all, the implementing regulations. However, they can be downloaded from the internet and will be displayed in the entry office during the event. They alone as well as bulletins of the organiser are binding.

Those who register by 10 January 2023 and also pay the entry fee will receive an **early bird discount** of 10 euros. Your security despite early booking: A refund of the entry fee will be made in case of **cancellation before 1st March 2023** and in special exceptional cases, which we reserve the right to determine. In case of non-participation in the Veterans Rally, the entry fee minus a cancellation fee of 20 € will be credited for the year 2024 **if the cancellation is correct.**

Unfortunately, the enormous increase in costs in all areas forces us to raise the entry fees for the first time in five years. We can assure you that we will lower them again if the situation - which is currently characterised by many uncertainties - should ease significantly.

The measures introduced in previous years for an attractive classification will remain in place: There will again be **trophies for the best drivers of the individual regularity tests**. In the regularity race in the stadium, five laps have to be completed, but only three are scored - for example, 1st, 3rd and 4th lap or 2nd, 3rd and 5th lap. The number of laps scored may differ in the different starting groups and will not be published beforehand.

When little ones have to compete with big ones, this is sometimes a problem. This gave rise to the idea of forming a separate class for motorbikes up to 98 cc. This includes all corresponding vehicles built up to 1945 with the exception of the youth class. In order not to have to throw the entire previous

www.veteranenrallye.de

class numbering overboard, we have formed the new (special) class 1. The previous class 1 (vehicles built up to 1908 with belt drive and without gearbox) had to be merged with class 2 in the past years due to a lack of participants. The new Class 1 will start after Class 4 and will also receive corresponding starting numbers. This means that these vehicles with weaker engines will reach the finish earlier than if they had started at the very end of the field.

The informal **campfire evening** on Thursday next to the marquee will also take place in 2023. It is intended to give new participants in particular, but also experienced veteran drivers, the opportunity to get to know each other better in a cosy atmosphere.

On Friday evening, the official opening of the veteran rally will take place with a welcome, flag parade and drivers' briefing. The drivers' briefing will be conducted for the first time by **Timo Wahlmeier**, who will certainly set new accents. Saturday evening, on the other hand, is completely free of events at the request of many participants. Those who arrive later and therefore cannot take part in the drivers' briefing should make a note of this on the registration form. Then there will be no penalty points because of the missing stamp on the boarding card. All award ceremonies will be held on Sunday evening.

Only those who also book the food package are registered co-drivers. In addition to the food and drinks, they will also receive a personalised participant pass, a souvenir gift and our classic car magazine. Of course, we have nothing against other co-drivers - they are by no means 2nd class participants. But unfortunately we cannot afford the luxury of giving away services.

Surely all of you know other classic car enthusiasts who have shown interest in the veterans' rally but have never started here. We have therefore launched the **"Veterans recruit veterans"** campaign in 2017. Anyone who brings a new participant with them will receive an advertising bonus of 25 euros. You can read about the conditions here: www.veteranenrallye.de/download/werbung_neulinge.pdf. If you would like to distribute veterans' rally flyers in your own clubhouse, at events or at trade fairs, please send us an e-mail with the desired number.

Yes, even we can't avoid the vexed topic of the Data Protection Regulation (DSGVo). In order to be able to offer you, as participants in the Veterans Rally, a perfect handling of the event and a comprehensive comfort, we process and store all data from the entry form filled out by you in our database. We assume that you agree to this. If not, a simple message to AMC Ibbenbüren will suffice and the data will be deleted.

For the Veterans Rally and the Automobilclub Ibbenbüren we have our own app for the smartphone. Among other things, participant vehicles and news about the Veterans Rally are presented here. If you are registered as a user, you can receive so-called push messages (similar to WhatsApp) and are thus always up to date. On the "pinboard" in the app, veteran friends can make offers to sell or buy anything related to our beautiful hobby. Simply enter the search term "Veteranenrallye" in the App or Google Store in the next few weeks or scan the QR code on the left.

We wish you a Merry Christmas, a good start to 2023 and look forward to seeing you again at Whitsun in Ibbenbüren.
