INVITATION:

**40th International Motorbike Veterans-Rallye in Ibbenbüren,
39th International constant speed run for historic motorbikes**

Dear friends,

we are currently planning the traditional meeting of motor-vehicle veterans on Pentecost 2020 in Ibbenbüren. I would like to invite you for our 40th International Ibbenbüren motorcycle veterans' rallye and for the 39th International constant speedrun for historic motorbikes. **The meeting will take place from May 29th – June 1st 2020.**

You can be looking forward for a pleasant Pentecost in Ibbenbüren together with the same team and wellknown friends. You can download the entry form from our website and fill it in at the computer and then print it.

We included the **short form of the announcement** in our attractive flyer which gives you all necessary information at a glance. However, the short form cannot replace the complete version of the announcement, especially regarding the implementing rules.

The download can be used immediately. Further, the complete version of the announcement is available in the office during the event. Only these as well as bulltins from the tour chief are obliging.

Problems may occur when small and big items are measured at the same time. That is why the idea came up to create **a special class for motorbikes up to 98 ccm**. All small vehicles up to the year of construction 1945 are included in this class except the youth class. In order to keep the old class system, we created the new (special) class 1. In the past few years, the former class 1 (vehicles up to the year of construction 1908 with belt drive) had to be combined with class 2 because of the low number of participants. The special class 1 starts after class 4. Suitable starting numbers will be provided. As a result, these vehicles with smaller motors will reach the aim earlier.

If you register and pay the entry fee by January 10th 2020, you will be given an **early bird discount** of 10,00 €. Please understand, that this discount cannot be given for the very cheap classes 2, 13 and 14. Do not be afraid, for your security, a **refund of the entry fee will be made in case of cancellation by March 15th 2020** as well as for exceptional cases. We reserve the right to decide about these exceptional cases. In case of a non-attendance and correct deregistration, the entry fee will be credited for the year 2021 less a cancellation charge of 20 €.

The entry fees are the same as the year before. We just had to adjust the price for the additional breakfast on Monday up to 8,00 € due to higher prices. The vouchers for meals (including breakfast) are still at the same price of 30,00 €.

In order to make the judgements more attractive, we will also give **cups to the best drivers of the different constant speedruns**, in which the absolute time counts with no bonus factor for very old motorcycles.

The constant speedrun in the stadium has become more exciting in the 2019 mode. Therefore, also in 2020, 5 rounds have to be made while only 3 of them count, e.g. round 1, 3 and 4 or round 2, 3 and 5. This will be fixed before the run, sealed in an envelope and published at the bulletin board after the run. The counting rounds can be different depending on the starting group.

The informal **campfire evening** near the pavilion on Thursday was a great success and will also take place in 2018. It will be a good opportunity for new participants as well as for experienced drivers to communicate in a pleasant atmosphere.

On Friday evening there will be the official opening of the veterans' rallye, the greeting, parade of the flags and drivers' conference. **On Saturday evening**, there are no events, due to many participants' request. Participants with late arrival, who do not take part in the drivers' conference, should leave a notice on the registration form. Thus, no penalty points will be given for a missing stamp on the boarding card. All award ceremonies will be on Sunday evening.

Registered co-pilots must book the meals. Besides food and drinks they will also receive a personal participant's card, a souvenir and our oldtimer magazine. Further passengers are allowed, however without allocations.

We also have to inform you about the currently omnipresent subject of data protection regulations (Datenschutzgrundverordnung, short: DSGVO). In order to be able to offer all the participants of the Veterans' Rallye a perfect flow of the event as well as all conveniences, we process and accumulate all data from your entry forms in our data base. We assume that you agree. If not, please send a note to AMC Ibbenbüren und all data will be deleted.

We are currently constructing our own smartphone app, which will present news of the rallye and the vehicles which take part. Registered users may obtain push news (similar to Whatsapp) in can be well informed. You can also use it for purchase and sale for all articles of our beautiful hobby. Please look for "Veteranenrallye" in the app- and/or Google store within the next few weeks.

All news reagreding the Ibbenbüren Motorbike Veterans' Rallye can be found in the internet under www.vetreanenrallye.de/neu2020.html

We wish you a Marry Christmas and a good start into the Year 2020. We are looking forward to seeing you in Ibbenbüren.

Yours

Hans Schmidt, Clerk of the Course of the
